

From the Medical Officer of Health,

Please reply to :—

SANDWICH BOROUGH

Ref.

M. S. HARVEY, M.B., CH.B., D.P.H.

EAST KENT UNITED DISTRICT

14 Dame John
Canterbury

11th April, 1958

Annual Report of Port of Sandwich for 1957

I. Staff - no change.

Address and Telephone number of Port Medical Officer - no change.

II. Shipping entered the district during 1957.

Ships from	No.	Tonnage	Inspected by		Reporting I.D. on board
			M.O.	F.H.I.	
Foreign Parts	11	2301	-	6	-
Coast wise	22	3150	-	2	-
Total	33	5451	-	8	-

III Passenger Traffic - nil in or out.

Cargo Traffic - Inward - Oil)
Seed potatoes) Coast wise
Timber from Sweden.
Outward - Cattle to France.

IV. No inland barge traffic.

V. Water supply no change. Routine samples satisfactory.

VI. (1) Lists sent weekly to Customs Officers Manston/Rensgate.

(2) - (5) no change.

VII (1) - (4) no change.

VIII No change.

IX Nil.

XI Nil.

XII Two deratisation certificates were found to be out of date on foreign going vessels and the next port of call was informed. Rats not found on inspection.

XIII No notices required to be served.

XIV Some free gathering of shell fish, but no prohibition applies.

XVI The drop in the ports activity is due almost entirely to the decline in export of cattle which came about early in 1957.
